Greetings in the most wonderful and matchless name of our Lord Jesus Christ! It has been an *amazing* month here at Divine Life Church Ministries. We have seen souls saved, street children ministered to, wonderful and powerful praise and worship and two of our dear church members joined together in holy matrimony. **God is good all the time!**

We had a very special time in the Lord as we join together in marriage two very special people, Caleb and Hope. They have been members of our church for a long time now and both have hearts to be trained as pastors. There was lots of music, dancing and excitement with an estimated of over *five hundred* people in attendance. In fact the church was so full that people were outside literally leaning in the windows and doors to witness the special occasion. Truly I cannot remember when the Spirit of the Lord was more powerful. After the wedding couple said their vows they knelt down and we prayed over them in the name of Jesus. Tears flowed down their cheeks as they were obviously genuinely touched by the Lord in a very special way. We look forward to see how God uses them in the months and years to come.

Our feeding program for street children is really increasing. This month we went from feeding 36 children to feeding 82 children which is wonderful but a little overwhelming. Financially we are not equipped to feed this many children right now and are really in need of more people to help. We feed each child a nutritious meal of meat, vegetables, and usually potatoes, etc. at a cost of approximately \$1.50 usd per child. Feeding almost an additional fifty children now raises our cost close to \$75. Bottom line is **WE NEED HELP!** Our weekly feeding program is important for two reasons: #1 this is the only balanced meal that these precious children get each week. #2 and most importantly - the children hear the Word of God that we know for certain *never* returns void! So please pray about helping us to not only meet our present budget, but to also be in a position to feed additional children as they come.

We are proud to announce that our oldest daughter Bahati Beatrice has now graduated successfully and received her certificate from primary school, and will be entering secondary school Form One in January 2018'. We will be trusting God to meet all provisions of her school fees, books, etc. as she furthers her educational studies. We are really proud of all her hard work and determination.

Speaking of school – our school Amazing Love Child Care Academy will be resuming around the first week of January 2018'. We are committed to offering the very best in terms of academic learning and teaching Christianity as the core of our belief. It is our hope that each child will seek God first in their life and commit their future unto Him. Once again it is necessary for me to talk just a little about money. We do operate on a shoe string budget and have to meet teacher's salaries, teaching materials, food and a lot more. Please remember that you can help sponsor one of these children for only \$15 a week.

Our primary purpose at Divine Life Church Ministries remains to see souls claimed for Jesus. We are not saying that feeding the hungry or caring for the poor is not important, but without Jesus all else is in vain! Jesus is the way, the truth and the life and no one comes to the Father except through Him alone! Please feel free to e-mail us with your prayer

request, suggestions or concerns. We would also like to invite you to join us here in Kenya as our guest to speak, to help with the children and much more. I promise you that it will be a ministry experience of a lifetime.

May God bless you all!

Paul & Mary
