The above pictures speak more than words on what the Lord is doing through us to bring a ray of hope to this next generation of kingdom leaders. He who began this good work in us will accomplish it. Friends let us not get tired in doing good for in due season of time we will harvest. We are counting of His blessing one by one. We thank God for this far we have come. Friend, we have a need that needed to be fixed, this is the need, our school toilet cracked though it was about full, we are in need of **\$800** to fix a temporary one in a weeks' time. our kids at school are in an awkward situation. THANK YOU FOR CONSIDREING PRAYING WITH US.

This cannot be done without your prayers and help. It's overwhelming sometimes to see the children in such condition, no shelter, no medication, no food, no school etc. yes, our weekly program do reach them by **THE LOVE OF CHRIST** and at least serve them with hot meals. But this is not enough, how we pray that we do this daily and get them a safer home with all basic for a human being ... do you know that giving to the poor is lending God.....

Mathew 28: 18 And Jesus came to them and spake unto them, saying, All authority hath been given unto me in heaven and on earth.

19 Go ye therefore, and make disciples of all the nations, baptizing them into the name of the Father and of the Son and of the Holy Spirit:

It was such a humble time for this great commission

The safer heaven for women is about we are out of words to what God has done and He is doing. We are so excited and women are more excited, God Remembered them. We are trusting God for furnishing and equipment. As the Lord leads, kindly we appreciate. Blessing

We love you!
