As it is written: "I have made you a father of many nations." He is our father in the sight of God, in whom he believed—the God who gives life to the dead and calls into being things that were not. Romans 4:17 NIV

Just agree!

You know, twenty years before Abraham ever had a child; God said to him, "Abraham, I have made you a father of many nations." Notice God spoke to him like it had already happened, *in the past tense*. I'm sure Abraham thought, "God, You must have made a mistake. I'm not a father. I don't even have one child. Abraham could have talked himself out of it; but instead, he chose to believe. Today, you may be thinking that you are not blessed, i.e. 'I am not confident, I am not healthy, I do not have God's favored'. But when God says you are blessed don't try to figure it out. Instead just agree with God and say, '*I am blessed*'. **AMEN!** When God calls you prosperous don't check your bank account. Don't look at the stock report. Just agree with God and say, 'I am prosperous!'. Things may look impossible in your human view of things. That's the way things looked for Abraham. But sure enough, God's promises came to pass, and Abraham became the father of many nations. Remember, when you agree with God, you are positioning yourself for a miracle. You are activating His truth into your life. When things look difficult don't agree with your circumstances but rather agree with His promises, WHY? Because He is faithful and He will always complete what He's started in your life!

God is so faithful! The joy in the heart of these Children gives us the strength and encouragement to continue forward. And our hope needs to be fueled by friends with like minds so that our vision can be realized. We are doing our very best to help in the foundational building of these Champions. We are not only giving them an education but raising them up to be powerful men and women of God. Our desire is that they become what God has ordained them to be. These future **Kingdom Leaders** need your prayers. We have a committed Christian staff of God fearing men and women who continue to give their time and effort to make this happen. **Your prayers are an essential tool for encouragement to all!**

This is the beginning of the joyous moment! In the picture above are two young people from our church. This was during their introduction and now we are having the wedding of Maurice and Jemima this coming April 7th 2018. We ask all of you to pray for the success of their wedding and marriage, and that God would be the author and finisher of their lives.

Whoever is kind to the poor is lending to the Lord, Proverbs 19:17. In the town of Kitale there are so many streets and alleys, and on each can be seen the desperate and hopeless faces of street children. Each day shows the critical need to help these children with food, clothing, shelter and more. The need is truly overwhelming and rips at the hearts of many of us who have a calling from God to help. Our only limit is resources to help and that limit can only be met through folks like you who also have a burden for the less fortunate of this world. Please pray about how you can help us help these precious children of the streets of Kitale! **Thank you and God bless!**

All of at **Divine Life Ministries** have a divine calling to see that each part of the body of Christ is empowered. We believe in empowering Zion daughters for the Glory of the Father. Once women are empowered the community is automatically empowered too. Women are the backbone of our families, our community and even our nation. The Bible says that it was not good for man to be alone so God created a *'help meet'* for man. *And what does that mean?* It means that although man is the leader and the head just under Christ Jesus, the woman was created to help man along the way. Help him to make decisions and encourage him when he may become weary or overwhelmed with the tasks at hand. In fact the role of the woman is so important that the whole system will collapse unless she sees her part and becomes the God filled, God empowered and Spirit led woman that God has intended her to be. Please pray that we may fulfill our mission by ministering to the woman under our care.

Our sole purpose continues to remain reaching the harvest for our Lord. As it has been said; it takes the heart of lion to go for the lost. And how will they ever hear the good News of Christ if they are not told? There is a fire that burns in both my wife Mary and me to tell others about our loving Savior and we never get tired of doing so! There is a joy unexplainable when we see someone kneel and raise their hands in the air to accept Jesus as their personal Savior. There is something about that experience that is so rewarding that nothing we know of could ever take the place of our calling to preach the Good News of Jesus!

Critical and ongoing needs:

1. More resources on our street children ministry
2. We provide food at all kids at Amazing Love Academy and pay teachers salaries. We pray for resource to meet these needs.
3. It is now heavy rain season and our school roof leaks and the children are getting wet in their classroom. The current roof is rusted and has holes throughout. We need to put a new mabati roof on the structure and are trusting God for iron 67 iron sheets to replace the old worn out roof. Each sheet cost approximately \$10 for a total cost of \$670

Please consider these needs in prayer. Thank you and God bless!
