We get it hard to explain sometimes of what we see of which it's the call that the Lord has bestowed unto our life. The number of need kids at the street is very overwhelming. As you can see above, our desire is to share His love with them, provide a home (safe) . It's very ugly looking on the condition of these precious forgotten champions. So we encourage them by sharing as we do also share the physical needs with them. They are all human- meaning they need all basic needs as we do. The needs are always beyond our reach. This kids need, schooling, medication, shelter and just daily upkeep. Wherever the Lord leads you to help- we do appreciate wholeheartedly.

We thank God in a huge way with all that is in us. As you can see- the center for abused women is coming along well. We anticipate this to be soon ready for use. Abuse here, is on high rate. Many young girls and generally women are being tortured, beating etc. home violence is worse. Many kids at such conditions run away for safety and thus ending into the street life. Due to poverty as a result leads many to commercialize their body for living

which turn brings dead via HIV and other related sickness. We believe God has placed us here at such time to be a blessing. Your partnering with us in prayers and as the Lord leads is very torching.

Wherever Jesus went, He did good- healed the sick, provided food and more so He preached the kingdom. We are following His foot step at every cost. Our car brook down mechanically, it was very old car and now we get it tough reaching a harvest for the kingdom. I thank God for gifted Lady Mary my dear wife. She has been right instrument for all that God is doing here. Also we thank God for you- your prayers and all support has made us to reach where we are now. We surely miss good enough words or no words to describe you. All we say, May the Lord bless you.

Amazing love child care is a school that we believe every child is a leader regardless of where she/he comes from. It's a privileged to serve Gods people. We encourage you visit in person and see what the Lord is doing here

Prayer items

1. Pray with us God to increase more resources for this course
2. Pray that we remain strong , health and of course keep the faith
3. Pray we get a new car to help us in ministry.
