We have experienced the hand of God in our ministry and those who we help. As most of you know there are several facets to our ministry work here in Kenya including - church planting, ministering to the elderly, helping widows and orphans, and feeding/care for the huge population of homeless street children here in Kitale town where we live. Although the exact numbers are unknown, it is estimated that there close to one thousand street children trying to survive on the streets of Kitale. Many will sleep in groups huddling up at night to keep warm. Young girls are often raped and beaten with no one to protect them from their next predator. We are presently feeding approximately thirty seven street children each week. This number has significantly dropped over the past six months due to lack of funding. It does take money to buy ugali flour, sukuma wiki, beans, rice, meat, etc. to feed these children. We also periodically take in street boys or girls that show a sincere desire to change and offer them schooling and a safe environment to grow spiritually into the adult that God has intended them to be. Each child that we take under our care cost us \$100 per month to house, feed, clothe and school. Please pray about how you might rescue and sponsor one of these very special children. Thanks and God bless!

Our school 'Amazing Love Child Care Academy' is presently operating with good number of children attending classes' nursery through class five with a committed staff. Our goal is to offer a safe and happy environment for learning based on Christian values and beliefs. Most Kenya schools practice corporal punishment in the form of 'kiboko' which is a stick or cane and other means of harsh punishment of the children. Children learn in fear of beatings by school teachers and will often come home with bruises and marks from these horrible punishments. These practices will never be used at Amazing Child Care Academy and children will learn in the loving care of a Christ centered environment. As you see friend, it's your prayers that makes us move. Do not get tired in doing good for you will reap in due season.

It is our passion to see all coming to Jesus ! and how will they know if they have not been told or reached- thus gives us motivation to GO FOR THEM at all cost, open air meetings , one on one it's a gate way for us to share His love to them – letting them know that Jesus Loves them regardless of whatever they may be passing in...

We terribly need the vehicle to help us move and mostly do what the Lord has called us to do. Consider earnestly to pray with us for it.

God bless you!
